[Breed | Sex | Age | Height]

ACCEPT *Massage or other modalities are never a replacement for proper veterinary care. I understand that the Equine Body Worker Practitioner will NOT diagnose conditions or prescribe medications. I understand that part of the session can include essential oils &/or flower essences to complement the body work techniques. If my horse is currently being seen by a veterinarian, I have cleared this work with attending veterinarian to ensure body work is at this time appropriate for the horse.*
